**What are people saying?**

**“Everybody is here. You get to meet face to face with a lot of different partners and customers. It has an incredible energy level.”**

**“It provided face-to-face contact with peer professionals using similar technologies. Exactly what our company needed.”**

**“It’s kind of a must do. If you’re in this business, you have to be here.”**

**NorthWest Oracle  
Users Group**
